

Arizona State Law on Concussions

As representative of the organization renting or providing an enrichment program in the QCUSD, I understand that under the Arizona State Law 15-341(2011), a group or organization that uses property or facilities owned or operated by a school district for athletic activities must abide by all health and safety practices set forth in the law pertaining to concussions. The renting organization agrees to comply with the policies and procedures of the Arizona State Law and will assume all responsibility for providing this information to parents and children. The renting organization agrees to follow all requirements according to this law. The renting party must review the law at <http://www.azleg.state.az.us/ars/15/00341.htm>. Per the Arizona Interscholastic Association (AIA), students, parents, and administrators at the junior/middle school levels will take the Brainbook Concussion module at www.aiaacademy.org and click on the quick link titled "Brainbook." Once the new window opens, the user may click on the link in the login box titled "Non-Student Course Link." This will allow the user to take the online concussion module without registering or taking the quiz at the end of the high school student's module. Completing this quiz will suffice for the concussion educational requirement. By signing this statement you are acknowledging that you have reviewed the Arizona State Law regarding concussions at the link provided above and you are confirming you will abide by this law by providing the necessary Brainbook Concussion Training to parents and students in your organization.
