Discovery Kids

The Discovery Kids before and after school programs are conveniently located at each of the elementary schools. This program provides before-school and after-school programs for students in grades K-6th. Additional day camp experiences are offered for students on non-calendar days during Fall, Winter, Spring and Summer breaks. Daily activities include homework time, board games, reading, organized games, outdoor play, and projects with emphasis in areas including arts & crafts and STEM. The CE department also offers academic and non-academic enrichment opportunities scheduled outside of the regular school day during afternoons, evenings and weekends for students and their families.

Discovery Kids Program and Student Eligibility

Participants within the Discovery Kids program are able to continue their education and mastery of materials during well-rounded enrichment activities and through experiential learning opportunities.

Currently enrolled QCUSD students are eligible to participate in Discovery Kids and receive priority with enrollment for non-school day camps. Discovery Kids is offered at each elementary school in the QCUSD district.

Benefits of the Discovery Kids Program

- **We are affordable:** Our program is a quality-based program that is both flexible and affordable.
- **Your child's safety is #1 priority:** All staff and volunteers are required to go through background checks through our school district, as well as local, state and federal authorities. Staff is CPR/First Aid certified and TB tested. Staff members participate in formal on-going training throughout the school year and are supported by administration and resources.
- **We are on your child's school campus.** Camp locations may vary.
- **Low child to staff ratio:** To ensure quality, the staff to child ratio is kept below or at the Arizona Department of Health Services standards of 1 staff to 20 students.
- **We offer a variety of activities:** Students are able to expand their cognitive skills, increase self and social awareness, and explore creative expression as well as, physical development and recreational experiences through structured activities offered daily.
- **Age-grouping:** Due to site based before and after care, students are appropriately age-grouped.
- **Highlight healthy lifestyle choices:** Nutritious snacks for your child are provided by the QCUSD Child Nutrition Department. This is in combination with physical activity offered daily.

- **WE LOVE WORKING WITH YOUR CHILDREN!** At the core of this exciting and fun program is the well-being of the total child. Our staff engage with and supervise children in a variety of activities designed to meet their interests and needs.

Registration and Acceptance Policies

- The preferred registration method for Discovery Kids is our online registration program <https://qcusd.ce.eleyo.com>. All information needs to be filled in completely and accurately to prevent delayed entry into the program.
- Only the parent/legal guardian may register the child for a Community Education program.
- Space is limited and early registration is recommended. Confirmation emails are sent once your child/children has been approved to start attending Discovery Kids. This process can take 24-48 hours (longer during peak enrollment times).
- The Discovery Kids program is required to have a copy of your child’s immunization record provided by parent/guardian.
- If your child has an Individualized Education Plan (IEP), the document must be made available to the program for review prior to the child being approved for services. This is a requirement of the State of Arizona.
- Parents/legal guardians must agree to read and respond to emails as needed. This is our main form of communication for invoicing, so email addresses must be correct.

School Age Requirements

Our before/after school and break camp programs. We are open to all students enrolled in full-day Kindergarten through 6th grade. Our program operates at all elementary school sites. No care is available during the regular school day hours of operation.

Program Times

Discovery Kids Before and After Care program is in operation during regular school days. Our morning program begins at 6:30 a.m. and ends when the school day begins. We begin again at school dismissal and remain open until 6:00 p.m. On Wednesday early release days we open in the afternoon at 12:35 p.m. and remain open until 6:00 p.m. The Community Education office is open Monday – Friday 8:00 am – 4:00 pm during the school year, and closed Fridays during breaks and summer.

Sample Afternoon Daily Schedule:

After school – 3:15 p.m.	Sign-in with staff / Snack
3:15 p.m. – 3:30 p.m.	Recreation Time
3:30 p.m. – 4:30 p.m.	Homework / Math / Reading (centers)
4:30 p.m. – 5:30 p.m.	Enrichment centers/activities
5:30 p.m. – 6:00 p.m.	Clean-up / Students’ Choice / Parent pick-up

Sign-In / Sign-Out Procedures

We are in the process of implementing an entry access code to increase security at all sites. Your child's safety is our top concern. You will be assigned an access code to use for dropping off/picking up your child, and will be responsible for safeguarding it. These codes will be updated and changed frequently for the safety of our students.

For the safety of your child, any individuals removing children from the program will be required to show proof of identification to the site staff. A child will not be released to an individual refusing to show ID upon request. **Always bring a valid (state) picture ID to the site. Do not assume you will not need it!**

- We require that a parent or an authorized party sign a child in/out of the program before and after school each day. Only the enrolling parent can designate authorized pickup parties. Those authorized parties may not assign that right to an unauthorized party. To sign a child out, the parent or authorized party must sign his/her full name along with the date and time in ink. The child must leave the site with the parent/authorized party once he/she has been signed out.
- An enrolled child will be released only to those persons specifically authorized on the emergency information form. **A sibling may not sign out a child unless he/she is listed on the emergency form as an authorized party and is 18 or older.** Exceptions cannot be made without advance written permission of the parent. Site staff is not eligible to be an authorized party for any child other than their own.
- Under the laws of the State of Arizona, both parents may have the right to pick up a child, unless a court order restricts that right. The enrolling parent who chooses not to include the child's other parent on the authorized pickup up list, must file an official court document (e.g., current restraining order, sole custody decree, divorce decree, stating sole custody). Absent that document, the childcare center may release the child to either parent, provided that parent documents his paternity/her maternity of the child.
- If only one parent has sole legal custody of a child, the Community Education office must have court orders on file. Legal paperwork that is given to the school is not shared with Discovery Kids, therefore, it is the responsibility of the parent to provide this information to the CE Department.

Absences

In the event that a child will not attend before/after care or camp as scheduled, it is the parent/guardian's responsibility to contact the school AND the Discovery Kids Site Facilitator at the school to report the absence. (See also Missing Child Procedure below).

Illness

Parents must inform the Site Facilitator when an absence is due to illness. Please inform the Site Facilitator when a child's absence is due to a potentially infectious illness. It is not recommended that a child attend the program with any of the following symptoms:

- Fever within the past 24 hours
- Swollen Glands
- Vomiting and/or Diarrhea
- Undiagnosed Rash
- Head Lice

A child who did not attend school due to illness will not be accepted into the before/after school program on that day. If a child becomes ill while attending the program with a fever, vomiting, frequent diarrhea, or onset of a rash, a parent/guardian/emergency contact will be notified to pick-up the child.

Credits – please submit a doctor’s excuse to the Community Education Office Facilitator for approval.

Missing Child Procedures

If a child does not arrive after school and we have not received prior notification for the absence, we will institute a “Missing Child Procedure” until the child is accounted for. This procedure includes determining whether the child attended school that day and checking with the child’s teacher (and other school staff) for information.

The “Missing Child Procedure” will include contacting parents, checking the perimeter of the campus, notifying the District Office, and if the child cannot be located, police may be notified, and 911 called. The District Office will be contacted in this order: Before/After School Supervisor, Community Education Director, Assistant Superintendent of Educational Services.

“Missing Child Procedures” are time-consuming and place the safety of other children at-risk due to staff having to leave the program area. ***It is critical that families make the site staff aware of any after-school absences by calling the site phone number and sending an email to the Site Facilitator.***

Changes will only take place the first of each month. Contact the Community Education Office Facilitator for any special circumstances.
- If you are registered for a *Pick Your Days Schedule* we require a 7-day notification for selecting or cancelling days – drop in rate applies if that notice is not provided. All days are approved based on space available and are not guaranteed until approved.
- If you should withdraw your child from a Discovery Kids program, you will receive a credit to your account. Refunds are not issued due to cancellations.

Dismissal from Program

- A child may be removed from the program if the account is delinquent more than three times during the school year. The financially responsible party will be liable for any costs incurred in the collection of the balance due.
- Community Education reserves the right to remove any child from the program due to behavior that endangers the safety of the child or the safety of other children and/or staff. No refunds or credits to the family account will be given if a child is removed from a Community Education program or if the child is suspended/expelled from school.
- Any and all behavioral incidents are situational and will be documented by incident reports shared with parents as they occur. Our goal is to ensure success for all the children enrolled in our program through positive reinforcement and communication.
- Chronic late pickups – after the 3rd late pickup, we reserve the right to remove the contract immediately.

Behavior Guidelines

Social growth and learning is an essential part of childhood. For this reason, the Discovery Kids programs work with children to learn how to display appropriate behaviors. Behavioral guidelines are established to maintain the physical and emotional well-being of each student and to teach self-discipline, judgment and manners. Positive behavior management strategies, like positive reinforcement, are used to guide children's behavior. Parents and staff are partners in guiding each child's development.

If program administration determines that a child cannot safely function within the program, or that the child's behavior presents a danger to the child or others (students and staff), we reserve the right to remove the child from Discovery Kids. This decision is based on three documented incident reports. These incident reports are signed by the parent(s) and filed at both the DK sites and CE office. Parents also receive a copy of each incident report.

Appropriate behavior is essential to learning and growing and is based on mutual respect for the rights and property of others, including staff, and other students. No one will be allowed to jeopardize the health, safety, or learning environment of others. Children are expected to display responsible behavior during the program.

Reflection/ TIME TO THINK sheets: When needed, children are given a reflection sheet and are asked to reflect on their behavior and write down what they will do to improve that behavior. The child is then encouraged to come up with a plan to correct the behavior going forward.

We adhere to the Queen Creek Unified School District Family Handbook and the following:

K.I.D.S. R.U.L.E.S.

- K. Keep Hands and Feet to Yourself**
- I. Inside Voices**
- D. Do Walk**
- S. Stop Silent on Signal**

- R. Respect each other and the equipment**
- U. Use Manners**
- L. Listen & Follow Directions**
- E. Everyone Helps Clean Up**
- S. Stay in Sight and Sound of Staff**

Early Release Days

When schools are scheduled to release children early (please see district calendar), the program will open at dismissal time. Early Release days may be included as part of your *Consistent Schedule* if an Early Release falls on your contracted days. Early release days can be requested individually using the *Pick Your Day Schedule* and will be approved if space is available.

Holiday and School Closures

Discovery Kids may offer Holiday Camps at a limited number of sites on the following days for an additional cost. There will be a minimum number of children required to run these camps.

- **Fall Camp** **9/27-10/08 2021**
- **Winter Camp** **12/20- 12/23 , and 12/27-12/30 2021**
- **Spring Camp** **3/7 - 3/18/2022**
- **Summer Camp** **5/23 - 7/15/2022**

Snacks

Afternoon snacks are available daily as a part of the Discovery Kids program. Snacks meet the nutritional guidelines set by QCUSD. Each child is encouraged to eat a snack. Students requiring special or specific food choices will need to provide their individual snack from home. Unfortunately, the program is not able to provide food for special dietary requests.

Breakfast

Breakfast is available for purchase through the Child Nutrition Department. If you qualify for free or reduced lunch, breakfast is free. For more information please contact Child Nutrition at 480-987-5983.

Personal Belongings

We do not assume responsibility for personal items. Please label your child's belongings with their first and last name. Children should leave toys, electronic games, and cell phones in their

backpack or at home. For the safety of all participants, students observed taking pictures and/or videos with their cell phones will be asked to turn their phones in at the parent table until pickup time. Consequences may range from a conference with the parent/guardian to automatic disenrollment.

Parent/Family Responsibilities and Participation

We believe the key to the success of the program involves both staff and parents. As a parent of an enrolled child in Discovery Kids, you have access to the areas on the facility premises where the enrolled child is receiving child care services.

- Parents may request a conference with the Site Facilitator and/or the Before/After School Supervisor at any time to discuss any concerns.
- We encourage hearing your thoughts, ideas and concerns regarding Discovery Kids. Please contact a Site Facilitator or the Before/After School Supervisor.
- Discovery Kids curriculum and/or monthly schedule is available at each site or at the Community Education office.
- Pick up your child/children promptly.

Adult Conduct

All adult conduct should fall in alignment with district expectations for the overall safety and protection of our students. All interactions between staff members and parents/guardians are expected to be appropriate and respectful on district premises and during any off-campus district-sponsored events. Anyone engaging in unsafe, inappropriate, disrespectful, or threatening conduct may be removed or asked to leave the premises.

Field Trips and Transportation Policy

We may schedule field trips during school break camps. Parents/guardians must provide written permission for their child to take part in field trips. Field trips are an earned educational privilege and behavior expectations above also apply to behavior on the bus. If/when we take a field trip we use QCUSD vehicles driven by a certified driver or a driver approved by the QCUSD

Transportation Department. Discovery Kids follows QCUSD guidelines and behavior expectations outlined in the QCUSD Family Handbook when transporting children for field trips.

Accidents & Emergencies

If a child is injured at the site, first aid will be administered. If a physician must treat a child, every effort will be made to contact the child's parent/guardian and the doctor indicated on the "emergency information card." In the event of an emergency, a child will be given the necessary emergency treatment until a parent/guardian can be contacted. If contacted in the case of an emergency, please be sure you know what facility should be receiving your child for treatment.

Health Records

Any changes and revisions to health records must be made immediately at your site and online. Changes to emergency information and revisions of immunization records presented to the school office will not be forwarded to our program. Please remember to keep all records updated. A child's immunization record must be provided at the time of registration. The immunization records provided by the parent shall contain all information required by QCUSD guidelines.

Medication Administration & Emergency Procedures

Prescription Medication. Medications may be administered to children during the school day when circumstances require that the child must take medicine at school. A parent must fill out an appropriate form requesting administration of the medicine. A written order from a licensed physician or licensed nurse practitioner is required, with the name of the child, name of medication, dosage, and time medicine should be given. Medicine must be in a properly labeled prescription bottle, as received from the pharmacy, with the name of the participant, the name of the medicine, the dosage, and the time the medication should be given. All instances of administration of medicine to children must be documented in a log. The medication must be stored in a locked storage container or cabinet.

- Any unused or expired prescription medication will be returned to the parent or guardian. If a parent/guardian chooses to not replace the medication promptly, QCUSD is released of all liability.
- Medications will be disposed of two weeks after the expiration date or a child's withdrawal from the program.
- In case of an emergency, as determined by program staff, the paramedics will be called and a parent will be notified immediately. We are not responsible for any charges incurred (ambulance transport, etc.).
- PLEASE NOTE: A separate consent form must be filled out for holiday/intersession camps and summer camp.

Over-The-Counter Medication. A parent must provide written permission for the administration of non-prescription medication. The medication must be brought to the school in the original manufacturer's container, which states the name of the drug, the dosage, and the contents of the drug. All instances of administration of medicine to children must be documented in a log. The medication must be stored in a locked storage container or cabinet.

Liability Insurance

- The Discovery Kids Before and After care program is covered by the Queen Creek Unified School District's insurance. Documentation of insurance may be reviewed at the District Office. Queen Creek Unified School District does not carry medical insurance.
- Discovery Kids is a school-year program open to all children K-6th grade attending a school in the Queen Creek Unified School District. Kindergarten participants must be enrolled in the full-day kindergarten program to attend. Intersession and summer camps are open to any child entering Kindergarten – 6th grade, regardless of school district. We do not discriminate based on race, national origin, color, gender, or disability.

Child Abuse Reporting

QCUSD requires staff members to report suspected child abuse to law enforcement or to the Department of Child Services whenever there is a reasonable belief, or a child discloses, that a child has been abused or a victim of physical injury or neglect, regardless of the identity of the perpetrator. A "reasonable belief" is when there are facts that cause a staff member to form a suspicion that a child is or has been the victim of abuse.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) was enacted to protect the privacy interests of student records. FERPA establishes:

- The right for parents to access and review the education records of their children.
- The right for parents to challenge any records that they feel are inaccurate, misleading, or in violation of their privacy rights.
- The right for parents to give prior consent before a third party can have access to any education records.
- The right to be informed of the rights granted by FERPA and the procedures for exercising those rights.

Pursuant to FERPA, personally identifiable information generally may not be disclosed to others without the prior consent of the parent. Consent must be obtained in writing and should be signed and dated, specify the records to be disclosed, state the purpose of the disclosure, and identify the parties to whom the disclosure is to be made. FERPA allows for the disclosure of student records without parental consent in the following circumstances, unless parental consent is affirmatively withheld:

- School official with legitimate educational interest.
- Other schools to which a student is transferring.
- Specified officials for audit or evaluation purposes.
- Organizations conducting certain studies for or on behalf of the school.
- Accrediting organizations.
- To comply with a judicial order or lawfully issued subpoena.
- Appropriate officials in cases of health and safety emergencies.
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Pesticides

We limit the use of pesticides and herbicides in our program. If it is necessary to use pesticides or herbicides, they are applied by a licensed professional when children are not present. Material Safety Data Sheets (MSDS) for all chemicals used in pest control are kept on file at the Queen Creek Unified School District Office. Notice of Pesticide Application with dates of application are posted at all sites. Changes to these dates will be posted within 48 hours advance notice before application.

Special Needs

Queen Creek Unified School District complies with the requirement of Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, applicable Department of Health Services (DHS) regulations and applicable federal, state and local laws. Students with disabilities who meet the essential eligibility will be permitted to participate in the program. Reasonable modifications will be provided to afford a student with a disability meaningful access to the before and after care program, unless demonstrated that the modification would be a fundamental alteration in the nature of the program, or constitute an undue financial and administrative burden. Any student, including students with disabilities, may be removed from the before and after care program if that student, even with reasonable modifications, is so disruptive as to jeopardize the safety, enjoyment and learning environment of other students and staff.

If your child has special needs or disabilities, please notify Community Education prior to registration. QCUSD requires that you provide copies of the following: your child's IEP, medication schedule, and qualifications for staff.

These injuries include, but are not limited to: physical contact with other individuals; contact with the ground, surfaces, fixtures, and equipment; and strenuous exertions, quick movements, and changes of speed, which place stress on the cardiovascular, muscular, and skeletal systems. The specific injury risks vary from (1) minor injuries such as scratches, bruises, and sprains, to (2) major injuries such as eye injury or loss of sight, joint injuries, limb injuries, head injuries, back injuries, heart attacks, heat stroke and concussions to (3) catastrophic injuries including paralysis and death. In exchange for being permitted to participate in the program, I hereby expressly and unequivocally release and discharge QUEEN CREEK UNIFIED SCHOOL DISTRICT, its governing board, employees and volunteers, subcontractors, sponsors, agents, affiliates, and schools (collectively the "Releasees") from all present and future claims that may be made by me, my family, estate, heirs or assigns for property damage, personal injury, or wrongful death arising as a result of my participation in the Event wherever, whenever or however the same may occur. I understand the program may be photographed, videotaped or otherwise recorded, and I agree to let the Releasees use my child's name, likeness and demographic information free of charge in any manner and for any purpose in any media now known or hereafter developed. I am not under any legal disabilities that prevent me from being legally bound by this Waiver and Release of Liability for Personal injury and Property Damage (this "Release"). I agree that this Release, and any dispute arising from or involving this Release, shall be governed by and construed in accordance with the laws of the State of Arizona.

I understand that the school district does not provide personal medical or health insurance for my child, and that I am responsible for medical expenses that may be incurred as a result of my child's participation in this Camp/Clinic. In consideration of my child participating in this sport, consent is given for emergency medical treatment, hospitalization or other medical treatment by a physician and/or hospital in the event of injury or illness, and waive any liability of Queen Creek Unified School District and its governing board, employees and volunteers, subcontractors, sponsors, agents, affiliates, and schools.

This guide will provide you with information that is vital to your successful use of the schools. Please familiarize yourself and your group with the contents of this section.

Application Procedure:

A request for the use of facilities can be initiated by calling the Community Education Department and completing a request form. The Facility Clerk will then check on availability for the dates and times requested. If the requested facilities, or alternate facilities are agreeable to the Renter, the Facility Clerk will send the Renter a *Facility Rental Contract* to be completed by the Renter and returned along with a copy of the Liability Insurance.

Changes:

All changes to the schedule need to be made 10 days before the facility usage.

Approval Process:

When a Facility Usage Form is returned to the Facility Clerk, the renter will be informed if their dates, times and facilities are available. Also an estimate of the facility charges.

Rental Classifications:

Per Governing Board Policy, Queen Creek Unified School District leases school property and facilities. The fee schedule, documentation required by the organization, and benefits offered to an organization associated with the lease of District property and facilities are delineated with a Class structure. In order to determine the Class, the organization and/or its purpose will be considered. All facility usage is subject to a rental fee depending on the classification of the individual or organization.

Class I

This facility use is exclusively for non-profit organizations associated with Queen Creek Unified School District, QCUSD sponsored organizations, and organizations open to the public that promote the educational function of the District where reciprocal agreements exist. schedule. This class of user will be charged the established use fee for the room/facility utilized and any other personnel or other out-of-pocket costs incurred by the District.

- Examples: Any commercial or profit-making organization or individual regardless of the purpose of their use, Charter Schools, etc.
