Date: June 8, 2022

Houghton Mifflin Harcourt *English 3D, by Dr. Kate Kinsella* is up for Supplementary Materials adoption. Per Regulation IJJR, textbooks and supplementary books for common schools recommended by textbook selection committees will be placed on display in the District Office for a period of at least sixty (60) days prior to the meeting at which the Board will consider its adoption.

What is Houghton Mifflin Harcourt *English 3D*?

English 3D is a program designed to help English Language Learners (students whose primary language is not English) obtain English language proficiency in reading, writing, speaking, and listening.

The evidence-based instructional routines and relevant text sets in English 3D create a dynamic platform for daily speaking and writing, enabling students to become confident and competent participants in their content-area classes.

The program includes both digital licenses and physical textbooks.

This will be on display from:

June 8, 2022 - August 7, 2022
